My boyfriend decided to sleep in this morning so I figured I'd get started on my stretches. Before long I had a sweat going and completely forgot about my man. When he came out naked, I just couldn't resist and had to take a bite or two. If he worships my ample cheeks, then I'll show him just how much these kegels can do.

When my boyfriend came home today, he was surprised to find me naked in bed. How many times do I need to wink to say "fuck me"! With his big hard cock shuffling my insides I might wake up the neighbors with all this moaning and screaming. Once he grabbed my hips and really started railing me, I was cumming everywhere.

vegas nights

A couple of girlfriends and I decided last minute to take a trip to Las Vegas a few weeks ago. We left Friday night and planned for the weekend, splurging on a suite at one of the hotels on the strip, large enough for each of the three of us to have a bedroom and have a great time together. It was supposed to be a weekend just away from our daily lives, and maybe a chance to live a little. We got more than we were expecting.

There's nothing like Las Vegas. The lights, the sounds, the drinks, the very air all seem to conspire to send you into a hedonistic spiral. It started the moment we left the room to start our explorations. A hotel houseboy in his early 20s and with a nametag that said Diego greeted us with a smile as he walked by. My eyes moved over his handsome body that fit so perfectly into his uniform shirt and vest, turning around to see a strong ass in the perfect pants. He turned to glance over his shoulder as we continued walking by, his smile a knowing one, and none of the three of us could really hide our glee, both at looking, and at getting caught looking.

Later that night, we made our way to the hotel club. We were already tipsy as the bouncer waved us ahead of the line and into the club to our loud screams and excitement. We barely took a dozen

steps across the dance floor before we were offered drinks, the glances from around us sending us into more rounds of giddiness.

The music pounded heavily with the drinks, drawing us out to the dance floor where we all cut loose in a tight circle around each other. I'm not sure how long it might have been, but eventually, I felt something behind me like someone was dancing their ass against mine. I turned around, eyes instinctively downward, where I saw an ass that looked awfully familiar. I looked up, surprised to see the seductive look of the houseboy.

He was there with two of his

friends, and the six of us quickly found our way into a large dance group. We danced around and with one another, but I seemed to have attracted Diego's attentions.

I'm not sure who it was, but one of us suggested heading back up to the suite, where we turned on heavy music, but left the lights off, the light of the city its own seduction and force. Diego sat with me on the couch and quickly leaned in to start making out. He was skilled, tongue dancing around my mouth with a tease that showed this wasn't all he could do. I let him pull off my dress, leaving me there in my black panties and bra. Across the room, one of my friends was sucking off one of Diego's, while my other friend was pressed naked against the window with Diego's other friend behind her.

Diego wasted no time in getting my attention back, having removed his own shirt to show how really chiseled he was. I reached out and traced over the clear lines on his young chest as he straddled me on the couch, letting his crotch move expertly over my lap. He leaned forward and made out with me, giving me all his attention, despite the others in the room. I leaned back and let his tongue flash out along my neck, loving the moans he let loose that made me feel he wanted me.

His hands reached behind me

and undid my bra, releasing my firm, rounded boobs. With a seductive glance, Diego leaned me back and let that magical tongue flash over my nipples that instantly reacted to the attention. I let my hands run through his dark hair, wondering what else he was going to do to me. Almost as though he was reading my mind, he pulled my ass up to get my panties off and slid his body down along with them. With his eyes locked on mine, he let his tongue drift down my chest, flicking into my belly button, and further toward my excited pussy. I leaned back on the couch, realizing what he was going to do. He spread my legs and let his tongue find his way inside, sending waves of pleasure through my body with each flick and twirl. I moaned, letting out a scream that caused my girlfriends to look over. I let them, seeing that neither of their men were quite taking care of them like this.

How long it was, I didn't care. Diego took his time and let his own pleasure come from mine. Eventually, I tugged at him, pulling him back up to make out again. Deftly, his dick found its way inside my edged pussy, and it wasn't long before he pushed me over. Yet, he still took his time, moving slowly and methodically. The others finished and our friends gathered around us, seemingly in awe even as they cheered us on. Diego's smile only showed how much he enjoyed the attention. They weren't going to make him go any faster than he want-

ed to, and they weren't going to get his gaze. He kept those deep hazel eyes locked on mine as he pierced ever deeper, my pussy getting hungrier with each thrust.

It wasn't until he pushed me over a second time that he finally let himself go, flooding me with his thick, warm juice. He stayed in, leaning forward to kiss me with soft passion that I'll never forget. We stayed together until he had to work the next afternoon, sliding back into those perfect pants and into the depths of my dreams.

I've never really been very close to my family, and I ended up moving away as soon as I

could. It was definitely the right choice, but it made some of the holidays pretty lonely. Over the years, I've found several girlfriends who were in similar situations, so we started celebrating Thanksgiving with each other. A few of us have drifted in and out of the group over time, but four of us have stayed together and kept the tradition alive for years no matter where our lives have taken us. Margie, a fiery red head, and the heart of the group. This whole thing was her idea in the first place. Tori, a tall blonde with a huge chest that is often responsible for our group's drinks at bars. Charlene, the most loyal friend any of us could ask for, even if she is a bit nosey. And me, Petra.

A few years ago, it was just the four of us for the first time in quite a while. It gave us a good chance to catch up, have an amazing meal, and enjoy each other's company. Because it was at my house, it also gave Charlene an opportunity to go poking around my nightstand. After disappearing to the bathroom, she came back waving around a large dildo. I spotted her just before she shouted out, demanding to know "his" name, and getting Margie and Tori's eyes on me. I can't say I blame them. I've always had something of a petite frame, and the dildo Charlene was waving around looked like it might split me in half. I jumped up, getting the toy with wide eyed embarrassment.

My friends only looked impressed, especially when Charlene said it wasn't the only... or

the largest toy in my collection. The others looked at me wide eyed before deciding to let themselves back into my room. I followed them in an already defeated effort to stop them, and by the time I got there, they already had a few of them laid out on the bed in size order.

I told them that I like to go up in size, that it turns me on to take my time, but that I also like to push myself. Margie looked down over the various toys laid out on the bed and forced me to admit that there were a couple I'd not managed yet. Her eyes darted between the other two before she told me to lay down. When I did, she reached in close to pull my pants and panties down to my knees. "Been a while?" she asked with a smile, running a hand through my wild, brown bush. Without warning, she leaned in and let her tongue play with my clit while her fingertips drifted down my legs, urging and helping me kick my pants the rest of the way off.

Once I was spread open, she let her tongue venture in deeper, hands reaching up my shirt to play with my chest. "Tonight, you're taking them all," she said in a tantalizing whisper. All I could do was nod as she pulled the smallest toy off the bed where they'd been lined up like a surgical tray. Her tongue lashed over my pussy one more time before the dildo slid between my moist lips. I let out a low moan, realizing how long it'd been even since I played. She slid it in and out a

few times before moving to the next larger toy.

While Margie played, Tori and Charlene moved over the top of me. Both had undressed and were making out, breasts pressed tightly together, and warm pussies over my face. I reached up and let my fingers play with both of them as Margie moved up in size again. I let out a scream, a surge of energy rushing through my body and thrusting my face into my friends' crotches. They held me there, rubbing themselves over my face.

Eventually, Tori backed away, and Charlene lowered herself so that we could make out. When Margie found the next toy, I wasn't ready for the force she

used. My eyes went wide as Charlene held me in place. I was suddenly sweating; they'd found the one that was usually my limit. But Margie was tearing me up. She leaned in to start making out with us, and I suddenly realized that it wasn't Margie at all, but Tori, and she wasn't just sliding the toy in and out but had strapped the dildo on and was pounding hard and deep.

I didn't try to hold back my screams, or the look in my eye when Charlene winked and backed away, pulling out the next dildo, one I'd never managed to take fully before. Tori slowly pulled out one last time and they all made a show about swapping out the dildo in her strap. She made her way toward me; she must have seen the look of terror in my eyes because she leaned down and kissed me gently. "Enjoy it," she said as she slowly let herself back in. Unlike the last one, she was gentle, taking her time. The pain drifted into pleasure, and I let myself lock on her eyes. Energy surged through me as she gave me more than I'd ever managed to find before. I felt my body shake and shiver as she took me over the edge, keeping the energy longer than I was used to. The others, their fingertips drifting over my body, watched with self-satisfied looks at how they'd given me the best experience I'd ever had. Then, they started to pass the toys around among themselves.

And a new Friendsgiving tradition was formed.

Once I was spread open, she let her tongue venture in deeper, hands reaching up my shirt to play with my chest.

Ashley

I've got a surprise for you, but you have to guess before you see what it is. No, it's not my perky tits. Nor my juicy pussy. One more guess! Yes, it's this tight little asshole, and it's all for you. But before your reward, I want you to know how much it can take, so don't be shocked when my dildo disappears!

GIRL NEXT DOOR

KYLIE

Kylie Wilde, a hot, young smiling faced sexpot wants to become a model and all the fun perks that cum along with it! She sends audition videos to casting agents and gets a go-see. She'll do anything to get what she wants. Her potential agent makes it clear: If she doesn't do what he says, she probably won't get the jobs she wants. So, Kylie, let's begin with that beautiful clear dildo in your pussy. Then...

CHERRY

Cherry met up with her boyfriend at the park. She explained that her grades sucked and dad grounded her, and she wasn't supposed to be out. She said her dad wasn't home and they could come back to her place to fuck. He said no at first, but after squeezing her firm boobs and juicy ass, he couldn't resist. Once they got back to her place, it wasn't long until stripped her clothes off and revealed that round butt in all its glory. She got her pussy munched on – and she deep throat his dick. She rode that cock all afternoon as her luscious ass bounced up and down on it. Seems they better cum before dad gets home.

BROOKE

When I was in college, I used to work as a bell hop at a fancy hotel in Palm Springs. Yes, there are female bell hops, and I was a good one. My girlfriend always got lucky with the male guests there, but luck never came my way. Today I decided would be the perfect time to finally live out that fantasy by calling Mr. Barker over and doing a little role playing. I get to be his bell girl and he gets to tip me in his own special way. Now, on to earn my tip. I hope it's a big one.

HIS COCK RUNNETH OVER ON ME

One of my responsibilities at the library was test proctoring. In fact, I was the only proctor on staff. The job kept me plenty busy.

Cheat Sheet

"Been studying hard?"

"God, yes," she said. "I pulled an all-nighter."

I found this hard to believe; Riley looked fantastic, certainly not sleep-deprived from burning much mid-night oil with her face buried in a textbook. She was tall and slender, a plus for me as I had always been a sucker for those wispy types. Thus far all of our correspondence had been through email. It was nice to finally meet her in the flesh.

One of my responsibilities at the library was test proctoring. In fact, I was the only proctor on staff. The job kept me plenty busy. Nowadays, with so many students opting for distance programs and online courses, there was never a shortage of people needing my services.

Riley's professor had sent me the test via email. Now I had it all printed up and ready to go. Leaving the reference desk to a coworker, I led Riley to one of our three study rooms. The room was just large enough to accommodate one table and four chairs; a large window allowed me to sit outside and observe the test taker.

I followed standard protocol by checking Riley's ID

and having her turn off her smartphone. She took a seat. I placed the test before her.

"Do you need any scratch paper?"

"No thanks," she said. "I'm fine."

I peered at my watch.

"You have exactly sixty minutes to complete the test. Good luck."

I pulled up a chair just outside the study room and occupied myself with a magazine. It wasn't long before I had to take a piss. I wasn't supposed to leave the test taker unattended, but this was an emergency. My bladder was about to pop.

I rushed to the restroom.

After relieving myself, I started to zip up, then paused . . .

Riley was so damned hot. I imagined her gazelle-like legs wrapped around my waist as I fucked her against a wall, reaming her pussy with deep thrusts. My cock swelled. I wanted to jerk off, but decided against this. I really needed to get back.

Imagine my surprise when I returned to find Riley cheating!

She had her miniskirt hiked up, revealing much

upper thigh. Even from outside the room, I could see the notes, scrawled in black ink, on her flesh. Quite a nifty trick, I thought, admiring her creative cunningness. But cheating wouldn't be tolerated.

I opened the door and stepped inside. Riley jerked. Her gasp was audible. She lowered her miniskirt with much haste.

"Nice try," I said.

Her face turned a deep crimson.

"Caught you red handed, didn't I . . ."

"I'm sorry." She couldn't look me in the eye. "God, this is so embarrassing. You must think I'm an awful person . . ."

"Not at all. But I will have to report this to your instructor."

Riley was on the verge of tears.

"Please don't do that."

"I'm sorry," I said. "Rules are rules."

"I'll get kicked out of the program."

She pleaded her case, telling me all about her life as a single mother, how tough it was holding down a fulltime job while going to school. Hers was a most difficult plight. I felt genuinely sorry for her. Still, I had a job to do.

"This will ruin my life," she said.

"My hands are tied, Riley."

An unpleasant silence engulfed us. Then a mischievous grin creased her face. Riley lifted the hem of her skirt ever so slowly. Once again I saw the writing on her upper thigh. From my vantage point I wasn't close enough to actually decipher the words, but I knew what they were. The answers, I reasoned, to her test.

Riley lifted her skirt another inch, granting me the smallest glimpse of her pink cotton panties.

"You know," she said demurely, "I was planning on giving you my number after finishing the test."

"You were?"

"Of course. You're such a cute guy. And I've always been proactive when it comes to getting what I want . . ."

"What exactly do you want?"

"Have you eaten?"

"Not yet."

"Let me finish the test with my 'cheat sheet' and I'll treat you to a lunch you'll never forget . . ."

It didn't take a genius to know what Riley had in mind. I smiled and glanced at my watch. "The clock is ticking."

I remained in my chair outside the study room until Riley completed her test. It was twelve-thirty when we exited the library, walking across the parking lot to her little blue hatchback parked beside the drive-thru book depository.

"Hungry?" she asked.

"Starving," I said.

"Do you like vegetarian food?"

"I like it fine."

"Good. I know a great place not too far from here."

I knew the spot, having eaten there on several occasions. She was right. The food was quite good. Still, I felt somewhat deflated. Apparently I had read her all wrong. She was actually treating me to lunch. No messing around. No midday nookie to liven up the wearisome workday. Oh well, I mused. At least I would get a good meal. Sitting there in the passenger seat as she piloted the car, I found myself looking forward to the prospect of something other than my usual brownbag fare.

I wasn't disappointed. The food was fabulous. My falafel salad was fantastic. And the conversation was, too. Riley was a cool person. She was working on her Education degree with hopes of teaching at the high school level. I felt fortunate to have met her, and hoped to see her again. At the risk of sounding

like her father, I advised her to stop cheating. She assured me that today had been a one-time lapse of judgment.

When we wheeled out of the restaurant parking lot I fully expected a return to the library. Riley had other ideas. This became abundantly clear as we headed in the opposite direction.

"Where are we going?" I asked.

"I hope you don't mind," she said, "but I'm still hungry."

Riley pulled into a gravel parking lot wedged between an overgrown soccer field and a boarded up concession stand.

"Nice place," I muttered. "If you're planning on robbing me I'm afraid you're shit out of luck. I'm flat broke."

Riley glanced at me. "Funny. I'll admit the scenery isn't much, but we won't be interrupted. I can assure you of that. Nobody comes out here."

"Nobody," I said, "except a serial killer looking to dump a body."

She killed the engine. For the second time that day we endured a lengthy silence.

"So," I said finally, "what now?"

She wasted little time, unzipping my trousers and liberating my cock. She stroked me with one hand, tugging my prick slowly, priming me for whatever came next.

"Do you like it when I stroke your cock? Huh? Does my hand feel good sliding up and down your fat dick? I bet it does. I bet it feels fantastic . . ."

Riley's filthy banter increased my excitement. I was harder than a brick.

"My vegetarian burrito was delicious," she told me, "but sometimes a gal needs her meat."

She leaned over the gearshift and devoured my cock. Her head bobbed up and down as she sucked me, moaning around my turgid length as she did so. Riley gave one hell of a blowjob. I sat there, watching her head pump in my lap, marveling at my luck. A vegetarian with a weakness for the tube steak, I thought, running my hands through her hair as she proceeded to service my balls. Riley sucked my nuts, all the while tugging my prick with a vigorous jerking of her hand. If she didn't ease up soon I was going to blow my jolly jam all over her face.

Riley came up for air. "Tasty. I've always loved meatballs."

"I'm glad."

"So," she said, "is the proctor ready for some pussy?"

"I believe he is."

Grabbing the lever, I pushed the seat back as far as it would go, fully expecting Riley to straddle me. But I was wrong.

"My car's really small. Get out. I've got a better idea."

I complied with her instructions, standing there in the gravel beside the car, pants halfway down my legs, as she pushed both seats forward, taking full advantage of the cargo space in back. She walked around, opened the hatchback, and presto!

"You've done this before," I said.

"Guilty as charged," Riley said. "What can I say? I'm a shameless cum slut who likes to get fucked in the back of her hatchback."

She reached under her skirt and peeled her panties. I climbed into the back of the car and lay down on my back. Riley climbed on top of me. My cock stood up like a periscope. Fingers encircling my shaft, she lowered her hips, guiding me inside her tight cunt. It wasn't long before she was riding me hard, bucking like a cock-crazed cowgirl at a raunchy rodeo. I squeezed her taut ass cheeks and met her thrust for thrust.

After fucking like this for some time, she dismounted.

"Doggy," Riley panted. "I want it from behind."

She was full of great ideas. I rolled off. Riley assumed the position, getting on hands and knees. I moved behind her, cock in hand, hunching like a horny mutt to prevent the top of my head from hitting the vinyl ceiling. Gripping her hips, I banged her good and proper, slamming her with hard, deep

strokes. The sound of slapping flesh filled the small space, this and Riley's moaning.

I figured this would be our last position.

I was wrong.

"Eat my pussy," she said.

Having flipped onto her back, she spread her skinny legs. I went down on her pronto, licking and lapping her slippery crevice, periodically suckling her clit. She shivered and wailed with delight. I ate Riley until my jaw was sore.

Eager to screw her again, I raised my head from her lap, and plunged right in, pushing all the way to her searing center. Riley grunted. She grabbed her ankles and pulled her legs back even further to allow optimal penetration. I drilled her pussy with piston-like strokes, hammering her tirelessly.

I tried to slow down, tried my damndest to prolong our pleasure, but it was too late. The point of no return had arrived. My prick exploded like a pipe bomb, spewing copious amounts of nut butter all over her stomach and upper thigh.

Heart pounding, I watched my slimy seed slide down her leg. Now I had an up close and personal view of her notes – the "cheat sheet" she scrawled in ink. I recognized each and every poet's name from my college days . . .

English Lit had never been so much fun!

Ryan likes to nap when he gets home, and so I'll have to wait till he's awake to get off. Not today though, I'm planning a sexual sneak attack. If I blindfold him wearing nothing but my stockings and let my tits do the talking, he'll let me suck him off till he's begging to cum. I'd hate to make a mess so I'll let him fuck me until he shoots all over my wet, quivering pussy.

Scarlette & Violet

The other day we read something on the internet - FWB. We didn't know what it meant so we looked it up and were very surprised. If 'friends with benefits' were fucking everywhere, then why couldn't we? We'd done almost everything. Shower together, talk about boys, and dildos; and we've seen each other naked. At that point why not have a little taste? Feel around a bit and see who moans louder?
